Ask.)

I prefer need a **single room**. (We can probably accommodate all single room requests.)

Please bring your own **linens** if at all possible. If this is inconvenient for you, please let us know, so we can bring linens for you. Please bring linens for me / our family group.

If you will need pickup from an airport, bus or train station or would like to rideshare, please let us know your needs on the reverse. I need a pickup from public transp I would like to rideshare.
